

Yahya El Ourdighi

CYBER SECURITY

I'm Yahya El Ourdighi, a passionate cyber security professional and pentester with an interest in digital forensics. I'm studying for my first diploma in cyber security and enjoy working collaboratively to complete projects with high quality and on time. I'm detail-oriented and proactive in problem-solving, confident in identifying vulnerabilities and risks. My goal is to continue growing my skills and knowledge in cyber security and make a positive impact on the industry in 2023 and beyond.
