

Yahya El Ourdighi

CYBER SECURITY

Hello, I'm Yahya El Ourdighi and I'm a passionate cyber security professional and pentester with a keen interest in digital forensics. I'm currently studying to obtain my first diploma in cyber security and am excited to bring my growing expertise to the table. As a team player, I'm dedicated to working collaboratively and efficiently with colleagues to ensure that projects are completed on time and with the highest level of quality. With an eye for detail and a proactive approach to problem-solving, I'm confident in my ability to identify vulnerabilities and potential risks. I'm excited to continue growing my skills and knowledge in the ever-evolving field of cyber security, and am committed to making a positive impact on the industry in 2023 and beyond.
